

REMOVING SILOS AROUND PROJECT INFORMATION WILL BE CRITICAL FOR AI'S EVOLUTION ON JOBSITES.

As a proud member of Generation X, whenever the subject of AI is brought up, I think of Arnold Schwarzenegger in The Terminator, which isn't exactly a ringing endorsement for the ba+

transform our industry in the next 10 years more than any other technology in the past 100 years. It's going to be huge because it has such broad application in so many cases. It's not a question of if. It's a question of when."
